## Stainless Steel Silverware Cylinder

**Model #: S-500**  
Lifetime Warranty

### Standard Features:

- High-capacity silverware cylinder
- Deep-drawn, straight-wall design allows for highest capacity holding up to 50% more than tapered imports
- Fits up to (6) dozen standard flatware forks per cylinder
- The straight wall design lessens jamming of flatware
- 3.75" wide-footed base for stability
- Made from 18-gauge, 304 Stainless Steel
- High-quality electro-polish finish
- Formed with a 0.1875" high turned-down beveled lip for strength and a clean finished look
- Total height of 5.375"
- Net clearance of 5.1875" when dropped-in
- Fits a 4 1/32" cutout
- NSF approved
- Made in the U.S.A.

### Product Specification:

Steril-Sil model #S-500 High-Capacity Silverware Cylinder. Unit is made from 18-gauge, 304 series stainless steel with an electro-polish finish, NOT a brushed finish. Units are deep-drawn with straight walls having a 3.75" wide-footed base to fit up to (6) dozen standard flatware forks. Unit formed with a 0.1875" high turned-down lip. The total height is not to exceed 5.375" with a net clearance of 5.1875" when dropped-in and fit a 4 1/32" cutout. NSF approved. Made in the U.S.A.
