Countertop Combination Dispenser

Model #: VTC-1HP-4

(Shown as beverage support unit with (4) sixth-size pans, (1) third-size pan, (2) PC-700-BLACK and (2) RP-25-BLACK containers. Pans and containers not included)

Standard Features:

- Compact design takes up little countertop space
- Uses a combination of food pans and Steril-Sil cylinders and 30-ounce containers to dispense a wide range of products including condiments, sweeteners, creamers, silverware, straws, stir sticks and so much more. The ability to use different size pans with different depths give a user complete control of the number of products and how much of each product to dispense.
- Light weight and portable
- Includes non-marking feet
- Pans, adapter bars, silverware cylinders and 30-ounce containers not included
- All welded 304 stainless steel construction
- NSF approved
- Made in the U.S.A.

Product Specification:

Steril-Sil model # Countertop Dispenser. Durable and portable dispenser holds a combination of food pans. Unit is welded 18-gauge, 304 series stainless steel construction. Includes non-marking feet. Adapter bars, pans and containers not included. NSF approved. Made in the U.S.A.
