E1 System Double-Angled Overshelf Inserts

Shown: E1-CLD-2V-DAOV
Patent Pending

Standard Features:

- Drop-in double-angled overshelves to increase merchandising space.
- Use to create custom kiosks or for use in serving lines with E1 System mobile counters.
- Each unit includes baskets for merchandising.
- Baskets are 8" x 12" x 3" deep
- CLD unit includes a full-size, 12 x 20 insulated pan for use with or without ice.
- Overall height with baskets when installed into an E1-ENC series counter: 66".
- Overall height with baskets when installed into an E1-DDA series drop-in dispenser: 30" from countertop.
- Shelf-front heights from insert's base: 10.25" and 21.5".
- Works exclusively with the Steril-Sil E1 System.
- Fully-welded 304 stainless steel construction.

Product Specifications:

Steril-Sil E1 System double-angled overshelf inserts increase merchandising space in E1 System E1-ENC series mobile counters or with E1-DDA series drop-in dispensers. All double-angled overshelves include 8" x 12" x 3" deep baskets. CLD units include a full-size 12" x 20" insulated pan for use with or without ice. Use overshelf inserts to create custom stand-alone kiosks, use them in serving lines with the E1-ENC mobile counters, or use them in customer counters with E1-DDA drop-in dispensers. Fully-welded 304 series stainless steel construction. Works exclusively with the Steril-Sil E1 System.
